New Business:

- Garage Sale - LCRA will take part in the LCORI Garage Sale to be held August 2nd on Hughes Road. The sale will run from 9-12 and will be advertised in the LCRA Newsletter. LCORI has planned to hold a bake sale in conjunction with the garage sale.
- Weed Control - The April 29th Sonar application took place on schedule. Chlorophyll testing will take place around the 15th. The testing will be conducted by Ginny Himich, assisted by Lyn and Leon Hewitt.
- Membership - Membership plaques were distributed by Lyn Hewitt to LCORI, Sunrise Park, and the International Society. Membership cards for individual members will be distributed along with the newsletter.

- Newsletter - The publication of the newsletter will be pushed back one week to include a Weed Control Update. Lyn and Leon Hewitt will be delivering newsletters door to door to re-introduce the association to residents. They will also obtain recent contact information for individuals that they speak with. Lyn Hewitt requested additional volunteers to assist in distributing newsletter by hand. There was some interest. Lyn will map out distribution areas so that there is no overlap or redundancy of efforts.
- Sponsor Thank You - A certificate of appreciation was created by Lyn Hewitt and circulated at the meeting for design approval by the attendees. A list of sponsors was pulled from the LCRA website by Lyn Hewitt and approved by Ginny Himich. Lyn Hewitt will produce and distribute the plaques.
